Hi there,

Thanks for creating a Workable account. It's a pleasure having you on board. Thousands of companies around the world rely on Workable to find and hire great people. I hope you will too.

Workable provides you with an affordable, easy-to-use online recruiting platform. We specialize in making the hiring process simple and efficient.

- With Workable, you can post your jobs to [15 free job boards](#) in less than five minutes. All applicants will be automatically sent to your Workable account for you to review. If you're new to Workable, please [create your first job for free](#).
- Workable has all the tools you need to manage the hiring process. Evaluate applicants, schedule interviews, collaborate with your hiring team, and do much more—all on one platform. Check out our [full list of features](#) or [watch our video guides](#).
- Don't forget about [premium job listings](#) on sites like LinkedIn, Indeed, and Monster. Discounts are available when you buy directly via Workable.

If you'd like to start your evaluation with a demo, drop us a note and our team will set up a personal call with you at a time of your choosing.

If you prefer to explore on your own, have a look at our [support center](#).

Thanks again for trying out Workable.
